# The Blue Dog and the White Horse: The Best of Friends

## Book synopsis:

What happens when Gracie, a small "blue" dog, befriends Max, a big white horse? Despite all outward differences, these two become inseparable! Young Gracie learns to be confident and unafraid, and aging Max learns that he still has purpose. In *The Blue Dog and the White Horse: The Best of Friends*, you'll join this unlikely pair on real-life adventures as they build bonds of love and trust while navigating excitement, illness, danger, uncertainty, and even great loss together. In this heartwarming collection of true stories, you'll find that Gracie, Max, and the community of friends face many of the same emotions and circumstances as people. Their experiences and lessons in courage, compassion, communication, and connection are sure to resonate with children, adults, and families everywhere!

> *Haven Lindsey has written a remarkable book in the tradition of Charlotte's Web, a thrilling exploration of friendship that happens to be between two animals but that readers will recognize as universal. I fell in love with Gracie (the blue dog) and Max (the white horse) and delighted in their instinctual connection. Haven Lindsey's prose is luminous and deeply stirring. A book for anyone who loves animals and recognizes the deep, healing power of friendship.*
